

Set within a private Mews Development, Phillips Mews is a hidden modern gem in the heart of Fulham. With floor to ceiling windows this house is an incredibly light and bright presence.

Throughout the houses have been finished to the highest standards and the modern structure has enabled large rooms with vast ceiling heights making them far more spacious and imposing than their Victorian counterparts.

This house has an enormous 895sqft kitchen diner with a feature Carrara island and provides fully fitted modern Siemens appliances, with a large pantry. On the same floor is a Guest Bedroom with its own bathroom. Upstairs the formal reception leads out to a large garden, with patio area and private side access. The ground floor also includes a Study, Guest WC and Utility, ideal for a busy family.

On the first floor the master en-suite has a walk in wardrobe and its own en-suite bathroom, including a shower and bath. There are a further two large double bedrooms serviced by a third bathroom.

Developed by a company known for prestige works in Prime Central London, these houses are a step above the usual new builds to be found in Fulham. Accessed by fob through the security gate, each property comes with its own private parking space and the properties are set off Filmer Road and invisible to the street - ideal for privacy and security.

Located on Filmer Road, All Saints and St Johns schools are both of good repute and very popular with local parents. The closest tubes are Parsons Green and Fulham Broadway stations on the District Line and Barons Court on the Piccadilly Line. Munster Villages' many cafes, restaurants and shops are just at the end of road. Very close to the stunning Fulham Palace and Bishops Park and all of the attractions and views along the riverside.
